BUDGET DESCRIPTION

In October 2016, Georgia received its first statewide GEAR UP (Gaining Early Awareness and Readiness for Undergraduate Potential) Grant. DeKalb County is participating in the GEAR UP Grant through the use of a "Cohort Strategy" model. This model allows staff to follow students identified as 8th graders in 2016, through their first year of college (7 Year Cohort Students). GEAR UP Georgia students will be provided with supportive services to help them receive their high school diploma, prepare for post-secondary education, prepare for careers and and receive transitional assistance through their first year of college. The Grant supports the District's Strategic Plan by providing equity and access for students.
