BUDGET DESCRIPTION

The Summer School Extended Day Program (SSEDP) is a research-based program designed to provide a safe and nurturing environment to support student academic achievement through new experiences that build self-esteem and character. The program provides an enriched academic environment balanced with engaging, fun, interactive, and well-organized extracurricular and recreational/cultural arts activities. Participation is available to any student in a school offering an SSEDP program. The SSEDP budget aligns with the DCSD Strategic Plan by tying into Goal Area II: Stakeholder Engagement, by providing a safe, orderly, and positive school environment.
