DIVISION Superintendent's Office

BUDGET UNIT MANAGER'S NAME JOEL B. THIBODEAUX

ZERO-BASED DECISION PACKAGE

TYPE	NARRATIVE	ALIGNMENT TO STRATEGIC GOAL AREA(S)
MISSION	To provide the Superintendent, Management, and when directed, the Board of Education of the DeKalb County School District with independent, impartial, and timely information and advice in support of Management's efforts to set direction and correct course, as well as to establish accountability, transparency, integrity, and equity in all DCSD functions as stewards of the public trust and to be the District's initial point of contact for reports of Fraud, Waste, and Abuse.	Strategic Goal Area 5. Organizational Excellence
AIM	Realign and retool the Internal Audits department to focus on risk assessment, audit planning and scheduling based on results, reporting audit results to management and stakeholders, tracking and reporting organizational performance.	Strategic Goal Area 5. Organizational Excellence
OBJECTIVES	Establish Risk Assessment protocol, properly tool the department and auditors for execution with new software and training. Streamline the department as we go from a focus on volume (associated with school based audits) to a process focused on risk assessment and mitigation, results tracking and reporting, and effective communication with Management. Redesign and rebranding of the Fraud, Waste, and Abuse hotline.	Strategic Goal Area 5. Organizational Excellence Strategic Goal Area 3. Staff Effectiveness
BENEFITS	Decreased risks of Fraud Waste and Abuse; Increased accountability; Establish ethical framework; Increased public and employee confidence in the organization	Strategic Goal Area 5. Organizational Excellence Strategic Goal Area IV: Culture and Climate

ZERO-BASED DECISION PACKAGE

TYPE	NARRATIVE	ALIGNMENT TO STRATEGIC GOAL AREA(S)
MISSION	The mission of Fernbank Science Center is to provide extraordinary science instruction, exhibits, opportunities, and experiences to the DeKalb County School District, the local community, and beyond. The Science Center is dedicated to science literacy and life-long science learning for all people and all ages.	Goal Area 1: Improve student mastery of learning standards and provide academically rigorous courses.
AIM	The aim of Fernbank Science Center is to engage the DeKalb County School District community with effective instructional support in Science. This includes professional development for teachers, rigorous courses and hands-on learning activities for students, and engaging science programming for the community at large.	Goal Area 1: Improve student mastery of learning standards and provide academically rigorous courses.
OBJECTIVES	The objectives of the Center are: 1) Provide science instruction for students through the use of innovative single visit, outreach, and the STT and Advanced Studies programs. These programs engage students in rigorous science instruction. 2) Assist science instructors throughout the District in staying current with the latest in science content knowledge through the use of professional development opportunities. 3) Provide science programming for the public.	Goal Area 1: Improve student mastery of learning standards and provide academically rigorous courses.
BENEFITS	The benefits of operating Fernbank Science Center are having STT students, on average, score higher on the Biology Georgia Milestone End of Course Exam than students within the district and state. Fernbank offers science courses that are not available in all schools. Approximately 28,000 students participate in the single visit programs and an average of 80,000 students in outreach programs. FSC's Saturday program have an average of 200-500 visitors.	Goal Area 1: Improve student mastery of learning standards and provide academically rigorous courses.

TYPE	NARRATIVE	ALIGNMENT TO STRATEGIC GOAL AREA(S)
MISSION	The mission of Fernbank Science Center is to provide extraordinary science instruction, exhibits, opportunities and experiences to the DeKalb County School District, the local community and beyond. The Science Center is dedicated to science literacy and life-long science learning for all people and all ages.	Goal Area III: Staff Effectiveness · Recruit highly qualified staff · Develop high performing staff · Retain highly effective staff
AIM	Fernbank Science Center aims to provide learning opportunities for staff members through attendance at professional conferences and user groups. Staff attending these conference return with new ideas for student instruction, professional development, more effective ways to use technology in the building.	Goal Area III: Staff Effectiveness · Recruit highly qualified staff · Develop high performing staff · Retain highly effective staff
OBJECTIVES	Fernbank's objectives in this area include 1) Having instructional specialists who remain current with information in their respective field of science and instruction, 2) Offer innovative professional development courses to the District in the areas of science and science literacy, 3) Retain staff members that have a proven track record in the classroom, in scientific research, and working with teachers in the District.	Goal Area III: Staff Effectiveness · Recruit highly qualified staff · Develop high performing staff · Retain highly effective staff
BENEFITS	Benefits include having a staff of science experts at hand to work with instructors and students throughout the school district, being able to offer innovative science programs for students, and supporting approximately 70,000 people that visit the science center for planetarium programs each year.	Goal Area III: Staff Effectiveness · Recruit highly qualified staff · Develop high performing staff · Retain highly effective staff

BUDGET UNIT MANAGER'S NAME Douglas Hrabe

ZERO-BASED DECISION PACKAGE

TYPE	NARRATIVE	ALIGNMENT TO STRATEGIC GOAL AREA(S)
MISSION	The mission of Fernbank Science Center is to provide extraordinary science instruction, exhibits, opportunities and experiences to the DeKalb County School District, the local community and beyond. The Science Center is dedicated to science literacy and life-long science learning for all people and all ages.	Goal Area II: Stakeholder Engagement and Communication · Increase the effectiveness of stakeholder engagement experiences
AIM	Fernbank Science Center aims to engage the public in a variety programs. Public programming includes evening and weekend planetarium programs, community events celebrating areas of science, science literacy events, special lectures and a variety of exhibits at the Center.	Goal Area II: Stakeholder Engagement and Communication · Increase the effectiveness of stakeholder engagement experiences
OBJECTIVES	The objectives for the Science Center in this area are 1) engage the public through weekly planetarium programs that discuss a variety of scientific topics. The theater is an immersive environment and is used for programs other than just space. 2) provide engaging science days and science literacy program for students in elementary grades. These programs are hosted on the weekends and include such topics as Chemistry Day, STEM Day, Nano Science Day, and Reptile Day.	Goal Area II: Stakeholder Engagement and Communication · Increase the effectiveness of stakeholder engagement experiences
BENEFITS	The benefits for this area include developing more curiosity in younger students for sciences, helping to develop a more literate scientific community, and generating funds for the use of the school district. FSC's Saturday programs have an average of 200-500 visitors for each of the programs. Approximately 70,000 people visit the science center for planetarium programs each year.	Goal Area II: Stakeholder Engagement and Communication · Increase the effectiveness of stakeholder engagement experiences

JUSTIFICATION This charge code funds the payment for the District's part time Senior Risk Management Independent Contractor, pursuant to the contract entered into by the parties. The contractor assists with insurance coverage requests from schools and various departments, student claims, property claims, loss prevention goals and risk reduction strategies.

INSURANCE (OTHR THAN EMPL BEN) (552000)

---	--------	---	------------------------	--------

JUSTIFICATION This funds the insurance coverage used for the District's work based student program. Protection provided by this insurance policy includes general liability and professional liability coverage. This work based student program is headed by the District's Career, Technical & Agricultural Education Department.

E	552000	100.2500.552000.00011.7490.9990.8010.050.7491	INS-FIDUCIARY LIABILITY	5,944
---	--------	---	-------------------------	-------

JUSTIFICATION This funds the insurance coverage for Leased Warehouse and Leased Parking Lots (\$2,950.00) and for Leased Equipment for Commercial Copiers (\$2,994.00). This is needed as coverage for these items are not provided under the District's Property Insurance Policy. Moreover, vendors would not accept the District's higher deductible on the Property Insurance Policy. In addition, this insurance is required by the District's contract for Warehouse and Leased Parking Spaces as well as the District's contract for Commercial Copiers.

JUSTIFICATION This is the fee for the renewal of the insurance policy related to the District's pipe organ. The District has been engaged in a long term lease agreement with the Atlanta Chapter of the American Theatre Organ Society, Inc., since 1997. The agreement stated that the organ must carry a maximum deductible of \$1,000. At the time the insurance was acquired, the District's deductible was \$100,000 through AIG. The District's deductible with Alliant Property Insurance Program is now \$250,000. Therefore, this a separate fine arts insurance policy for the organ is needed.

JUSTIFICATION This funds the EPIC insurance brokerage dues. These dues are \$150,000 and are paid as required by the contract entered into after the Board of Education approved RFQ 17-490 on March 20, 2017. EPIC provides the District with beneficial consultation services regarding complex insurance matters. The remaining \$11,000 of this charge code funds fees for anticipated costs associated with endorsements needed for existing insurance policies to include items purchased or structures built after the initial policy was purchased.

JUSTIFICATION This charge code is used to pay medical benefits and income benefits to employees injured during the course and scope of their employment as required by law. This charge code is also used to pay the medical bill review fees and legal invoices received from defense counsel. Lastly, this charge code is used to settle workers' compensation claims. Settlement of claims is in the District's best interest for two reasons. First, once a claim is accepted by the Georgia Subsequent Injury Trust Fund ("SITF"), the District is eligible for partial reimbursement of a settled claim. Unfortunately, the SITF will sunset on

JUSTIFICATION This line item is for the cost of attending teacher/education fairs to maintain the integrity of the hiring process as well as to make sure that we are recruiting the best most efficient talent coming to DCSD. Additionally, this will allow the district to attend other career fairs where we will be able to recruit in other high demand departments such Accounting, Food Services, Transportation, and Administrative positions. The increased amount includes the request of ensuring that all of HR gets an opportunity to attend professional learning events as well as the management team attending conferences
